

Historical Wargaming Demonstration

Friday, April 4 & Friday, May 2, 2025 | 9 a.m. to 12 p.m.
Newmarket Seniors' Meeting Place (474 Davis Drive) Hall 6
Free admission | Drop-In

Do you like history? Have you ever wondered how decisive battles were fought? Historical Wargaming offers a fun way to learn about the intricacies of battles throughout history. Learn about military tactics of the time and employ them on a large realistic gaming table. Make the hard decisions past generals had to make, suffer the defeats and relish in the triumphs.

Hosted by Mike and Paul, they'll demonstrate the Seven years war (1756-1763). A pivotal moment in history that shaped the world and gave way to the rise of Napoleon. Drop-ins and questions are encouraged. With enough interest, Historical Wargaming could become a regular program at the centre.
