

# Museum Outreach Program

The Elman W. Campbell Museum is offering a variety of outreach programs to bring to your location. In a one-hour presentation, you will learn about our local museum, its mandate and the artifacts we collect. Specific to each theme will be historical objects to view and reproductions to handle up close!

**Grandpa's Grooming Kit** - Haircuts 25 Cents – A Shave 15 Cents! Here's what Grandpa used to spruce up on a Saturday night. Glimpse into a handsome grooming kit with all the essentials from bygone years.

**Life Before Electricity** - Remember When? It's hard to imagine a time before electricity. Everyday chores were tedious and time consuming. Explore how we lived in the past through a selection of objects, and share some of your own memories.

**Indigenous Outreach** – Learn about the Seven Grand Father Teachings and Indigenous, Metis and Inuit peoples. We will use cultural artifacts and reproductions to spark the sharing of stories.

**Vintage Treasures in a Basket** – See what vintage treasures and collectibles we have inside our basket! Learn about the past through these objects, what they meant to people's everyday lives, and share some of your memories.

## BOOK TODAY!

To book a program, please call the Museum at **905-953-5314** or email: [museum@newmarket.ca](mailto:museum@newmarket.ca)  
Program cost: \$60 per group. Maximum 30 people per group. One-hour long presentation with Q&A.
