**Re: Motion: Councillor Hamilton re: Request to the Region of Waterloo to Consider Free Public Transportation on Election Days**

At the Special Council Meeting of May 18, 2022, the Council of the Corporation of the City of Cambridge passed the following Motion:

WHEREAS there has been an overall and consistent decline in voter turnout for municipal, provincial, and federal elections in Canada and in Waterloo Region, despite the act of voting being essential to the proper functioning of the democratic process;

WHEREAS many residents struggle to access transportation to polling stations on election days, due to a lack of transportation available, physical mobility or accessibility issues, and/or socioeconomic status;

WHEREAS any initiative to boost attention and incentives to vote on election days warrants attention and exploration in order to assist the democratic process and increase voter turnout;

THEREFORE, BE IT RESOLVED THAT correspondence be sent to the Region of Waterloo on behalf of Cambridge Council to request free public transportation on election day for the Municipal and School Board Election, as well as for the Provincial, and Federal Election days, so as to generate more attention about elections and polling station locations, and to encourage and make it possible for more residents to vote, that would otherwise be unable to access their polling stations.

Should you have any questions related to the approved resolution, please contact me.

Yours Truly,

Danielle Manton

To Whom it may concern:

Please be advised that Brantford City Council at its Special City Council meeting held May 17, 2022 adopted the following:

**5.1 Release of all Federal and Provincial Documents Related to the Former Mohawk Institute Residential School**

WHEREAS the Truth and Reconciliation Commission Final Report, 2015 confirmed that Residential Schools were part of a coherent policy implemented by the Federal Government to eliminate Indigenous people as distinct Peoples and to assimilate them into Christian society against their will; and

WHEREAS the Deputy Minister of Indian Affairs Duncan Campbell Scott outlined the goals of that policy in 1920, when he told a parliamentary committee that “our object is to continue until there is not a single Indian in Canada that has not been absorbed into the body politic...”; and

WHEREAS the Truth and Reconciliation Commission Final Report, 2015 also confirmed that despite the coercive measures that the government adopted, it failed to achieve its policy goals. Although Indigenous Peoples and cultures have been badly damaged, they continue to exist; and

WHEREAS the former Mohawk Institute Residential School operated from 1831 to 1970 within the boundaries of what is now the City of Brantford; and

WHEREAS Survivors have released statements of missing, murdered, and buried students; and

WHEREAS, to date, the unmarked burials of over 7000 missing Indigenous children have been discovered nation-wide; and

WHEREAS, following the May 2021 announcement by Tk'emlúps te Secwépemc First Nation of locating 215 potential burials of children in unmarked graves at the Kamloops Indian Residential School in British Columbia, the Survivors of the Mohawk Institute,

along with their families and community members called on the Federal and Provincial governments to support a search for the remains of missing children who may have been buried on the Mohawk Institute's grounds and the surrounding area; and

WHEREAS, as of November, 2021, a search, led by the Survivors' Secretariat, of the Mohawk Institute Residential School grounds and over 200 hectares of land associated with the school began; and

WHEREAS Survivors of the Mohawk Institute Residential School are demanding the release of all Federal and Provincial documents related to the former Mohawk Institute Residential School; and

WHEREAS staff of the City of Brantford are currently undertaking a search of City records and archives for any documents, maps, or other relevant information related to the operation of the Mohawk Institute Residential School in order to release this information to the Survivors' Secretariat to aid in the search for truth, justice and healing; and

WHEREAS this Council is committed to working to advance reconciliation and renewed relationships with First Nations; and

WHEREAS the Truth and Reconciliation Commission of Canada issued 94 Calls to Action, thirteen of which are directed at municipal governments;

NOW THEREFORE BE IT RESOLVED:

- A. THAT the Council of The Corporation of the City of Brantford respectfully REQUESTS THE IMMEDIATE RELEASE, to the Survivors' Secretariat, of all documents in the possession of the Government of Canada or the Government of Ontario and the Anglican Church related to the former Mohawk Institute Residential School now located on Six Nations of the Grand River Territory, within the geographic boundaries of the City of Brantford; and
- B. THAT the Clerk BE DIRECTED to send a copy of this resolution to: Prime Minister Justin Trudeau; Premier Doug Ford; Minister of Crown-Indigenous Relations Marc Miller; Minister of Indigenous Services, Patty Hajdu; Minister of Indigenous Affairs, Greg Rickford; Linda Nicholls, Primate of the Anglican Church of Canada; MPP Will Bouma; MP Larry Brock, Mayor David Bailey; Chief Mark Hill; Chief Stacey Laforme; and the Survivors' Secretariat; and
- C. THAT the Clerk BE DIRECTED to send a copy of this resolution to the Federation of Canadian Municipalities (FCM) and the Association of Municipalities Ontario (AMO) for circulation to all municipalities in Ontario with an invitation to adopt a similar resolution, and, specifically, to those located within the Haldimand Tract,

I trust this information is of assistance.

On behalf of the Town of Newmarket Council I am pleased to recognize June 14, 2022 as World Blood Donor Day.

To Whom It May Concern:

Please accept this application to illuminate Riverwalk Commons and the Fred A. Lundy Bridge in RED on behalf of Canadian Blood Services on June 14, 2022, which is World Blood Donor Day. Canadian Blood Services is a not-for-profit organization.

Each year during National Blood Donor Week (June 12-18, 2022) and World Blood Donor Day (June 14), we proudly recognize and celebrate the essential role volunteer donors play in strengthening Canada's Lifeline. This year marks the 13th anniversary since the parliamentary legislation introduced by Senator Terry Mercer was enacted.

Shine a Light for Canada's Lifeline campaign will see the entire country coast-to-coast-to-coast light up in RED in celebration of our donors and motivate new donors to come forward and donate blood.

Half of all Canadians will either need blood or know someone who will need blood at some point in their lives. Yet only four percent of Canadians donate.

Lighting up Riverwalk Commons and the Fred A. Lundy Bridge in RED will allow us to shine a light on the importance of blood donation and help motivate new donors to come forward. The pandemic has hit blood donation hard and we need new donors to come forward now more than ever. As we lead in to summer season the need for blood rises naturally with the higher volume of accidents coupled with the rise in hospital procedures that were put off during the height of the pandemic – we have the ability to work better – together – and make a difference with Canada's lifeline.

We will promote the lighting on social media, [blood.ca](http://blood.ca), and a national press release.

I look forward to hearing from you and exploring this opportunity further.

Kind regards,

Cara
