Dear Premier Ford:

Re: Sustainable Funding for Small Urban Municipalities

At its November 6, 2024 Regular Council Meeting the Council for the Town of Midland passed the following Resolution:

WHEREAS it is apparent that the Ontario Government has overlooked the needs of Ontario's small urban municipalities; and

WHEREAS Ontario's small urban municipalities face insurmountable challenges to fund both upfront investments and ongoing maintenance of their capital assets including roads, water/ wastewater and municipally owned buildings including recreational facilities, libraries and other tangible capital assets; and

WHEREAS an increase of 26% one year, which is a million dollars (roughly 4% tax increase) for Midland and is something never projected;

NOW THEREFORE IT IS RESOLVED THAT The Town of Midland call on the Ontario Government to immediately implement sustainable funding for small urban municipalities by reabsorbing the cost of the Ontario Provincial Police Force back into the provincial budget with no cost recovery to municipalities; and

FURTHER THAT the OPP Billing Model be referred to the Auditor General for review; and

FURTHER THAT Council direct Staff to circulate this resolution to Premier Doug Ford (premier@ontario.ca), Minister of Solicitor General, Minister of Finance, and to the Association of Municipalities of Ontario (amo@amo.on.ca) and all Municipalities in Ontario.

RE: Motion for the Protection of Agricultural Lands and Sustainable Development in Relation to Provincial Projects and Excess Soil Management Practices

Please be advised that Township of Puslinch Council, at its meeting held on October 23, 2024 considered the aforementioned topic and subsequent to discussion, the following was resolved:

Resolution No. 2024-378: Moved by Councillor Hurst and
Seconded by Councillor Sepulis

Whereas the provincial government is undertaking:

- a) significant road and underground projects over the next ten years which will generate significant excess soil to be managed and disposed; and
- b) studies of underground projects that if implemented will also generate significant excess soil: and

Whereas landfill sites across Ontario are already near capacity, necessitating amendments to legislation to allow certain quality soil to be disposed at excess soil reuse sites instead of being disposed of in landfills effective January 1, 2025; and

Whereas the Ministry of the Environment, Conservation and Parks (MECP) is currently under resourced and lacks the capacity to effectively manage the additional enforcement and oversight required for the relocation of excess soil; and

Whereas the responsibility to enforce and oversee excess soil regulations is being downloaded onto municipalities, which have limited enforcement capabilities and face the risk of significant costs being passed on to local taxpayers; and

Whereas contamination of existing soil and groundwater is a significant concern, particularly in rural municipalities with valuable agricultural lands and reliance on groundwater for its residents; and

Whereas agricultural lands must be prioritized equally with housing needs, roads and underground infrastructure; failure to adequately protect these lands could exacerbate the ongoing food crisis in Ontario; and

Whereas Ontario is not alone in navigating the challenges of sustainable development, and the United Nations provides guidance through its Sustainable Development Report, which includes goals focused on economic growth, infrastructure, sustainable communities, hunger, clean water and sanitation, climate action, and life on land; and

Whereas it is critical that governments consider the comprehensive impacts on all of these areas when conducting feasibility studies and implementing projects which generate excess soil; and

Whereas neglecting to account for the broader implications of projects may lead to negative outcomes;

Therefore Be It Resolved that the Council of the Township of Puslinch calls on the provincial government to:

1. Prioritize the protection of agricultural lands in the management of excess soil from roads and underground projects and in the planning and feasibility studies related to such projects.
2. Ensure that adequate resources are allocated to the MECP to support effective enforcement and oversight of excess soil regulations.
3. Collaborate with municipalities to provide necessary support and funding for enforcement activities related to excess soil management, minimizing financial burdens on local taxpayers.
4. Conduct a comprehensive impact assessment that considers all aspects of sustainable development, in alignment with the United Nations Sustainable Development Report, before proceeding with the traffic tunnel project and any further amendments to excess soil legislation; and

That the Township of Puslinch Council direct staff to send a copy of this resolution to the Minister of the Environment, Conservation and Parks; the Premier of Ontario; all Ontario municipalities; MPP Arnott; MPP Rae; the Wellington Federation of Agriculture; and OMAFRA requesting support for the protection of agricultural lands and sustainable development practices in Ontario.

Re: Lithium-Ion Importation and Safe Use

At its Council Meeting of November 5, 2024, the Council of the Corporation of the City of Cambridge passed the following Motion:

WHEREAS lithium-ion batteries are commonplace as they are in use in a wide variety of devices that are part of our daily lives, including e-scooters and e-bikes, and the growing use of such technology is encouraged and supported as part of Canada's environmental protection strategies;

AND WHEREAS the increasing importation and use of non-Original Equipment Manufacturer (OEM) aftermarket batteries is coupled with the risk of devastating fires;

AND WHEREAS when lithium-ion batteries are damaged or overheat they are susceptible to "thermal runaway" high intensity, long lasting fires that are difficult to extinguish by conventional firefighting techniques, and which emit a cocktail of dangerous and potentially toxic gases such as carbon monoxide, hydrogen flouride, and hydrogen chloride, putting citizens and first responders in danger;

AND WHEREAS there are at present no government regulations to monitor, control or prohibit importation, storage, sale, or use in our communities of non-OEM lithium-ion aftermarket batteries not Underwriter Laboratories of Canada (ULC) certified;

AND WHEREAS the City of Cambridge has already seen several occurrences of lithium-ion battery fires in single, multi-unit residential dwellings, commercial and industrial properties that have caused displacement, inconvenience and economic loss to dozens of citizens and businesses such that Council recognizes the significant and growing risk of fire and explosion that these aftermarket lithium-ion batteries present.

NOW THEREFORE BE IT RESOLVED that Council does hereby support the Cambridge Fire Department in its efforts to administer and disseminate the Ontario Fire Marshall's fire safety campaign to educate citizens on the potential hazards associated with lithium-ion batteries and empower residents and

businesses in the City of Cambridge and beyond with the knowledge to safeguard themselves, their property, and others.

AND FURTHER THAT Council does hereby call upon all levels of government to enact regulations for the importation, storage, sale, disposal and use of non-OEM, non-ULC certified lithium-ion batteries.

AND FURTHER THAT this resolution be sent to the Right Honorable Justin Trudeau, Prime Minister of Canada, the Honorable Mary Ng, Minister of Export Promotion, International Trade and Economic Development, The Honorable François-Philippe Champagne, Minister of Innovation, Science and Industry, the Honorable Doug Ford, Premier of Ontario, the Honorable Todd McCarthy, Minister of Public and Business Service Delivery and Procurement for Ontario, local area MPP's and MP's, the Office of the Fire Marshal (OFM), Federation of Canadian Municipalities (FCM), the Association of Municipalities of Ontario (AMO) and all Ontario Municipalities.

Re: Homelessness, Mental Health, Safety and Addiction Crisis

At its Council Meeting of November 5, 2024, the Council of the Corporation of the City of Cambridge passed the following Motion:

WHEREAS the chronic homelessness, mental health, safety and addictions crisis continues to escalate, with at least 1,400 homeless encampments now present in Ontario communities, putting unsustainable pressure on municipalities and public spaces creating a Humanitarian Crisis; and,

WHEREAS housing, homelessness and healthcare - including access to appropriate and timely supports - are the responsibility of the Provincial government and proper management of these issues is crucial to addressing the root causes of the Humanitarian Crisis that Ontario is facing; and,

WHEREAS municipalities are being left to manage these issues without the necessary resources or legal authority to sufficiently respond, and as a result are caught balancing the important needs of unsheltered people living in encampments, with the responsibility to ensure our communities are safe and vibrant places for all residents; and,

WHEREAS the causes of homelessness can be complex and individually unique to each unhoused person, with one of the primary causes being undiagnosed and untreated mental health and addiction issues, which are difficult to address without specialized support systems providing a continuum of care; and,

WHEREAS some individuals experiencing untreated or undiagnosed acute and/or chronic mental health or addictions challenges may be at higher risk to themselves and pose safety concerns for other members of the community; and,

WHEREAS every individual deserves the opportunity for treatment and recovery, including crucial systemic resources, prompt access, and appropriate intervention; and,

WHEREAS Ontario Big City Mayors (OBCM) has launched the SolveTheCrisis.ca campaign to raise awareness of the scale of the humanitarian

crisis in our communities, seek partnerships with the federal and provincial governments to solve it including by: a single responsible Minister and ministry to coordinate action to solve the crisis; an action table with multi-sector stakeholders to create a comprehensive Made in Ontario solution that addresses these issues for all communities in the province; providing municipalities with the tools and resources to transition those in encampments to more appropriate supports; committing to fund the resources required, community by community, to fill existing gaps; invest in a sufficient number of 24/7 community hubs and crisis centres to relieve pressure on hospital emergency departments and first responders and,

WHEREAS the OBCM recommends the consideration of some specific tools and policy asks for municipalities and other sectors involved in this crisis as detailed below; and

WHEREAS an encounter with the criminal court system can be an effective pathway to treatment when the offender is offered a timely and effective treatment referral through a Diversion Court process; and,

WHEREAS the Province's plan to create 19 treatment hubs is a good step and has the potential to substantially improve access to treatment that can be referred through a Diversion Court process if these hubs are properly funded, accessible and expanded in scope and number based on community need; and

WHEREAS the ability of municipalities to ensure safe and vibrant communities is compromised by a double standard in our legal system that allows for the open consumption of illicit drugs but prohibits the unrestricted consumption of tobacco or alcohol, causing confusion and undermining public health efforts; and,

WHEREAS the ability of municipalities to make decisions regarding public safety is compromised by court decisions that enable encampments in public spaces and restrict municipal capacity to manage public lands effectively, including ensuring the safety of the people in those encampments, and the community surrounding them; and,

WHEREAS residents and business owners in neighbourhoods where homeless encampments exist and drug users congregate are unreasonably impacted by social disruption, rising crime, vandalism, and declining public confidence due to concerns for public safety; and,

WHEREAS provincial and federal governments need to take responsibility for policy decisions that have led to this humanitarian crisis and must take on a

greater leadership role in helping municipalities address the associated issues of social disruption and public safety; and,

WHEREAS municipalities need clear, effective and enforceable legislative tools from provincial and federal governments regarding how to address encampments and social disruption, and must have the legal authority to act swiftly and decisively when public safety is at risk; and,

WHEREAS establishing and reinforcing principles and parameters at a provincial level will allow municipalities to focus on what they do best – providing services to members of the public – without the impossible task of reconciling provincial and federal policy or various judicial decisions that are at odds with a group or individual rights; and,

WHEREAS municipal governments must implement solutions that are efficient, effective, appropriate, feasible, practical, and in compliance with Ontario and Canadian law, while balancing individual rights with the safety and well-being of the broader community;

WHEREAS the OBCM has reaffirmed calls to the federal and provincial governments, through its Solve the Crisis Campaign, to:

- i. Appoint one Minister and ministry responsible for the humanitarian crisis Ontarians are facing and who has been provided appropriate authority and resources to find solutions;
- ii. Create an action table of government representatives from all three levels, subject matter experts, and those impacted by this crisis including community partners, first responders and businesses to evaluate solutions to create a Made in Ontario solution; and
- iii. That both levels of government provide the funding required for municipalities big and small to put in place the solutions they need to end this crisis.

WHEREAS the OBCM has strongly requested the provincial and federal governments to:

- i. Take on intervenor status in the case of court decisions that restrict the ability of municipalities to regulate and prohibit encampments; and
- ii. Develop a fully funded and resourced range of compassionate care and treatment programs that strengthens the system of community-based and residential mental health & addictions treatments under the Mental Health

Act and the Health Care Consent Act, ensuring that individuals in need are able to access care and treatment in a timely manner; and

iii. Urgently review, consult on, and update the Mental Health Act and the Health Care Consent Act to reflect the current realities of this crisis, including consultation with medical professionals, first responders and municipalities to determine whether to expand the scope of and strengthen the existing system of mandatory community-based and residential mental health and addictions care and treatment; and

iv. Implement Diversion Courts throughout the Province and expand the scope and reach of these courts by permitting referrals to the Diversion Court for Provincial and Municipal Offences, with a focus on rehabilitation rather than punitive measures; and

v. Review, consult on, and update the Trespass to Property Act to address the public safety issues municipalities are facing within their communities. With such a review to include but not be limited to options to assist communities in addressing aggressive or repetitive trespass (“repetitive trespass”); and

vi. To establish for municipalities a prescribed provincial priority of maintaining public order and public safety to allow, in line with the above, stronger local deterrents to offenses related to social disruption and public safety risks;

WHEREAS the provincial and federal governments are requested to introduce legislation prohibiting open and public use of illicit drugs and public intoxication, whether that be by consumption of alcohol or illicit drugs, with clear enforcement provisions and public awareness campaigns to reduce the harmful impact on communities.

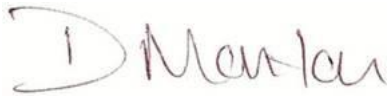

AND WHEREAS the province has been requested to create a blueprint, along with associated funding programs from both federal and provincial governments, to address the significant need for the quick build of supportive housing units, which includes units that address the specific needs of those who have started treatment and need shelter and care as they continue their recovery journey.

THEREFORE BE IT RESOLVED THAT the Council of the Corporation of the City of Cambridge supports the OBCM motion on chronic homelessness, mental health, safety and addiction crisis;

AND THAT this motion be circulated to Right Honourable Justin Trudeau, Prime Minister of Canada, the Honourable Doug Ford, Premier of Ontario, the Honourable Sylvia Jones, Deputy Premier of Ontario, the Honourable Michael Tibollo, MPP of Ontario, the Honourable Arif Virani, Minister of Justice, the Honourable Doug Downey, Attorney General of Ontario, the Honourable Michael Kerzner, Solicitor General of Ontario, the Honourable Mark Holland, Federal Minister of Health, the Honourable Paul Calandra, Minister of Municipal Affairs and Housing, Laurie LeBlanc, Deputy Minister of Municipal Affairs and Housing, Rebecca Bligh, Federation of Canadian Municipalities President, Robin Jones, Association of Municipalities of Ontario President, and all Ontario Municipalities.

The Honourable Doug Ford
Premier of Ontario

Etobicoke, ON M9V 1A3

Dear Honourable Doug Ford:

Re: Good Roads Association, Establishment of an Ontario Rural Road Safety Program

At their regular meeting of November 6, 2024, Council of the Town of Pelham endorsed the following:

BE IT RESOLVED THAT Council receive the correspondence from the Good Roads Association regarding the establishment of an Ontario Rural Road Safety Program, for information;

AND THAT Council endorse and support the motion as circulated by the Good Roads Association, being:

WHEREAS official statistics from the Government of Ontario confirm that rural roads are inherently more dangerous than other roads;

AND WHEREAS despite only having 17% of the population, 55% of the road fatalities occur on rural roads;

AND WHEREAS rural, northern, and remote municipalities are fiscally strained by maintaining extensive road networks on a smaller tax base;

AND WHEREAS preventing crashes helps to alleviate the burden on Ontario's already strained rural health care system;

AND WHEREAS roadway collisions and associated lawsuits are significant factors in runaway municipal insurance premiums. Preventing crashes can have a significant impact in improving municipal risk profiles;

THEREFORE, BE IT RESOLVED THAT the Town of Pelham requests that the Government of Ontario take action to implement the rural road safety program that Good Roads has committed to lead. It will allow Ontario's rural municipalities to make the critical investments needed to reduce the high number of people being killed and seriously injured on Ontario's rural roads;

AND FURTHER THAT a copy of this resolution be forwarded to Hon. Doug Ford, Premier, Hon. Prabmeet Singh Sarkaria, Minister of Transportation, Hon. Kinga Surma, Minister of Infrastructure, Hon. Rob Flack, Minister of Agriculture, Food and Agribusiness, Hon. Lisa M. Thompson, Minister of Rural Affairs, Hon. Trevor Jones, Associate Minister of Emergency Preparedness and Response, and Hon. Sylvia Jones, Minister of Health, Hon. Sam Oosterhoff, MPP, and Good Roads;

Moved by Lee Anne Andriessen **Seconded by** Neil Anstett

WHEREAS official statistics from the Government of Ontario confirm that rural roads are inherently more dangerous than other roads;

AND WHEREAS, despite only having 17% of the population, 55% of the road fatalities occur on rural roads;

AND WHEREAS, rural, northern, and remote municipalities are fiscally strained by maintaining extensive road networks on a smaller tax base;

AND WHEREAS, preventing crashes reduces the burden on Ontario's already strained rural strained health care system;

Dear Honourable Premier Ford,

Re. Resolution – Ontario Provincial Police Costs for 2025

Please be advised that the Council of the Corporation of the Township of Howick, at its meeting held November 5, 2024 enacted the following resolution:

MOVED BY: Councillor Rognvaldson
SECONDED BY: Councillor Grimes

WHEREAS the Township of Howick's 2025 OPP Annual Billing Costs represents a 21.15% increase over the 2024 OPP Annual Billing Costs, with many small, rural municipalities across Ontario facing even larger increases for 2025;

AND WHEREAS this 21.15% increase in OPP costs equates to more than a 2.8 per cent tax increase before Howick Township even begins its 2025 budget process in terms of levels of services;

AND WHEREAS the downloading of costs such as these from the province and the subsequent significant cost increases are not feasible or sustainable for small, rural municipalities in Ontario who are bound to raising their revenue solely through property taxes and user fees;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Township of Howick adopt and endorse Resolution No. 229 of the Municipality of Tweed and further calls on the Ontario Government to immediately implement sustainable funding for small, rural municipalities by reabsorbing the cost of the Ontario Provincial Police Force back into the provincial budget with no cost recovery to municipalities.

CARRIED.

The Township of Howick appreciates the province's attention to the financial challenges faced by small, rural municipalities and looks forward to a collaborative solution.

WHEREAS it is apparent that the Ontario Government has overlooked the needs of small rural Ontario;
 AND WHEREAS Ontario's small rural municipalities face insurmountable challenges to fund both upfront investments and ongoing maintenance of their capital assets including roads, bridges, water/wastewater and municipally owned buildings including recreational facilities, libraries and other tangible capital assets;

AND WHEREAS small rural Ontario's operating needs consume the majority of property tax revenue sources;

AND WHEREAS small rural municipalities (of 10,000 people or less) are facing monumental infrastructure deficits that cannot be adequately addressed through property tax revenue alone;

AND WHEREAS in 2015 the provincial government moved to standardized billing for all non-contract J.P.P. (5.1) locations;

AND WHEREAS the Ontario Government has committed \$9.1 billion to Toronto alone to assist with operating deficits and the repatriation of the Don Valley and Gardner Expressway; and \$534 million to Ottawa for the repatriation of Hwy 174;

AND WHEREAS the annual cost of the Ontario Provincial Police, Municipal Policing Bureau for small rural non-contract (5.1) municipalities is approximately \$428 million;

AND WHEREAS this annual cost is significantly less than the repatriation costs of the Gardiner Express Way, the Don Valley Parkway and Highway 174 (Ottawa Region) but provides a greater impact to the residents of the Province overall;

AND WHEREAS this will afford relief to small rural municipalities for both infrastructure and operating needs while having a minimal impact on the provincial budget;

RE: AMCTO RECOMMENDATIONS FOR UPDATES TO THE MUNICIPAL ELECTIONS ACT – TOWNSHIP FILE: A-00G

Please be advised that during the regular meeting of Council of October 28, 2024, the following motion was carried:

WHEREAS elections rules need to be clear, supporting candidates and voters in their electoral participation and election administrators in running elections;

WHEREAS legislation needs to strike the right balance between providing clear rules and frameworks to ensure the integrity of the electoral process;

WHEREAS the legislation must also reduce administrative and operational burden for municipal staff ensuring that local election administrators can run elections in a way that responds to the unique circumstances of their local communities;

WHEREAS the *Municipal Elections Act, 1996* (MEA) will be 30 years old by the next municipal and school board elections in 2026;

WHEREAS the MEA sets out the rules for local elections, the *Assessment Act, 1990* and the *Education Act, 1990* also contain provisions impacting local elections adding more places for voters, candidates, and administrators to look for the rules that bind the local democratic process in Ontario;

WHEREAS with rules across three pieces of legislation, and the MEA containing a patchwork of clauses, there are interpretation challenges, inconsistencies, and gaps to fill;

WHEREAS the Act can pose difficulties for voters, candidates, contributors and third-party advertisers to read, to interpret, to comply with and for election administrators to enforce;

WHEREAS while local elections are run as efficiently and effectively as can be within the current legislative framework, modernization and continuous improvement is needed to ensure the Act is responsive to today's needs and tomorrow's challenges;

Subject: Establishment of an Ontario Rural Road Safety Program

Too many Ontarians are being seriously injured or killed on our roads.

In 2023, there were 616 people killed and 36,090 people injured. The number of fatalities is up nearly 20% in the last ten years.

In 2021, the most recent year of complete data from MTO's *Ontario Road Safety Annual Report* (ORSAR), there were 561 fatalities – 426 of which occurred on municipal roads. While rural Ontario only represents 17% of the province's population, 55% of these deaths occurred on rural roads. By any measure, Ontario's rural roads are disproportionately more dangerous.

At the same time, municipal insurance premiums continue to increase. With no plausible reform being considered for joint and several liability, municipalities need to find innovative means for managing risk, particularly on their roadways,

To deal with this crisis, Good Roads has designed a multifaceted rural road safety program and have been in discussions with the Ministry of Transportation to fund it. The program would target a municipality's most dangerous roads, perform road safety audits, and install modern safety infrastructure that prevents serious injuries and save lives. This program is designed to be cost effective while also providing rural municipalities with a direct means for addressing risk associated with their roadways.

Good Roads has proposed leading a five-year \$183 million program that leverages our 131 years of municipal road expertise and our industry partnerships to quickly put in place the solutions that will address some of Ontario's most dangerous roads.

Good Roads is seeking support to address these preventable tragedies.

If the City of Port Colborne would be interested in pursuing this, a Council resolution similar to the example below should be adopted and sent to the Premier and the Minister of Transportation:

WHEREAS official statistics from the Government of Ontario confirm that rural roads are inherently more dangerous than other roads;

AND WHEREAS, despite only having 17% of the population, 55% of the road fatalities occur on rural roads;

AND WHEREAS, rural, northern, and remote municipalities are fiscally strained by maintaining extensive road networks on a smaller tax base;

AND WHEREAS, preventing crashes reduces the burden on Ontario's already strained rural strained health care system;

AND WHEREAS, roadway collisions and associated lawsuits are significant factors in runaway municipal insurance premiums. Preventing crashes can have a significant impact in improving municipal risk profiles;

THEREFORE, BE IT RESOLVED THAT the City of Port Colborne requests that the Government of Ontario take action to implement the rural road safety program that Good Roads has committed to lead. It will allow Ontario's rural municipalities to make the critical investments needed to reduce the high number of people being killed and seriously injured on Ontario's rural roads; and

FURTHER THAT a copy of this resolution be forwarded to Premier Doug Ford, Hon. Prabmeet Sarkaria, Minister of Transportation, Hon. King Surma, Minister of Infrastructure, Hon. Rob Flack, Minister of Agriculture, Hon. Lisa Thompson, Minister of Rural Affairs, Hon. Trevor Jones, Associate Minister of Emergency Preparedness and Response, and Hon. Sylvia Jones, Minister of Health, and Good Roads; and

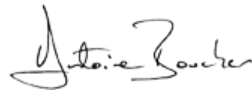

FURTHER THAT this resolution be circulated to all municipalities in Ontario requesting their support.

If you have any questions regarding this initiative please contact Thomas Barakat, Good Roads' Manager of Public Policy & Government Relations, at thomas@goodroads.ca at your convenience.

Respecting Local Democracy and Cities

City Council Decision

City Council on November 13 and 14, 2024, adopted the following:

1. City Council express its opposition to the proposed amendments to Part XII of the Highway Traffic Act contained in Bill 212, and any related proposed regulations, both of which contradict the stated purpose of the City of Toronto Act, 2006, to allow the City to determine what is in the public interest of the city.
2. City Council request the Province to work collaboratively with cities to address congestion and road safety, and accordingly withdraw the proposed amendments to Part XII of the Highway Traffic Act contained in Bill 212.
3. City Council direct the City Solicitor to review Bill 212 and any accompanying regulations, once in force, and to report to City Council with a summary of the legislation and regulations and the potential for commencing litigation to challenge Bill 212 or the regulations.
4. City Council request the General Manager, Transportation Services, or designates, to appear before the Ontario Legislature's Standing Committee on Heritage, Infrastructure, and Cultural Policy as part of public hearings regarding Bill 212 to give testimony in accordance with the position outlined in this item.
5. City Council request the City Manager to submit written comments to Ontario's Regulatory Registry and Environment Registry of Ontario that reflect the City's positions outlined in this item, including the City's opposition to any requirement of the City to provide support in the removal of City Infrastructure approved by its democratically elected City Council.
6. City Council adopt the position that no costs associated with the amendments to Part XII of the Highway Traffic Act should be incurred or paid by the City of Toronto, including staff time, planning, design, construction, and traffic management as a result of the congestion created by the removal.
7. City Council forward this item to the Premier of Ontario, the Minister of Transportation, the Minister of Municipal Affairs and Housing, the Leader of the Official Opposition, all Ontario Members of Provincial Parliament, the Association of Municipalities of Ontario, the Ontario Big City Mayors, and all Ontario municipalities and include City Council's commitment to the right of municipalities to govern their own affairs and represent the interests of their residents and electors.

8. City Council request the Ministry of Transportation to permit the publication of the results of the Transportation Tomorrow Survey 2022 as soon as possible to facilitate the use of the study in informing collaborative consultations with cities regarding options for addressing congestion and road safety.

9. City Council direct the City Manager to report back on the feasibility of placing signs on City roads where there are traffic delays resulting from the Provincial mandate to remove bike lanes from Toronto roads and that these signs would read "This road congestion and traffic delay is the result of Premier Ford's Bill 212".

10. City Council direct that Confidential Attachment 1 to the supplementary report (November 13, 2024) from the City Manager remain confidential in its entirety, as it contains information explicitly supplied in confidence to the City of Toronto as a partner municipality in the Transportation Tomorrow Survey 2022, conducted by a consultant retained by the Ministry of Transportation of Ontario as part of a cooperative effort by local and provincial government agencies to collect information about urban travel in southern Ontario, until such time as the Transportation Tomorrow Survey 2022 is authorized to be published by the Ministry of Transportation of Ontario.

Confidential Attachment 1 to the supplementary report (November 13, 2024) from the City Manager remains confidential in its entirety in accordance with the provisions of the City of Toronto Act, 2006, as it contains information explicitly supplied in confidence to the City of Toronto as a partner municipality in the Transportation Tomorrow Survey 2022, conducted by a consultant retained by the Ministry of Transportation of Ontario as part of a cooperative effort by local and provincial government agencies to collect information about urban travel in southern Ontario, until such time as the Transportation Tomorrow Survey 2022 is authorized to be published by the Ministry of Transportation of Ontario.

Summary

The recent provincial Bill 212 seeks to overturn the decisions and work of our locally elected Toronto City Council. If passed, the Bill means one government would, at tremendous cost to the taxpayer and without collaboration, undo another government's work.

As Mayor, it is my responsibility to stand up for the decision-making authority of City Council and the expertise of our professional public service which supports that decision-making. As such, I am working with City Staff to review the City's options and will provide recommendations on this item prior to the City Council meeting on November 13, 2024.

RE: Urging the Government to Promptly Resume Assessment Cycle

Please be advised that the Council of the Corporation of the Municipality of Callander passed the following resolution at its Regular Meeting of Council held Tuesday, May 28, 2024.

Resolution No. 2024/05/184:

7.4(c) WHEREAS the assessment cycle is an essential process for maintaining the fairness and predictability of property taxes in our province;

AND WHEREAS the pause in the reassessment cycle has created uncertainty and instability in property taxation, impacting both residential and commercial property owners;

AND WHEREAS the government has delayed an assessment update again in 2024, resulting in Ontario's municipalities continuing to calculate property taxes using 2016 property values;

AND WHEREAS both current and outdated assessments are inaccurate, increase volatility, and are not transparent;

AND WHEREAS frequent and accurate reassessments are necessary to stabilize property taxes and provide predictability for property owners, residents, and businesses alike;

AND WHEREAS the staff at the Municipal Property Assessment Corporation would benefit from further skills enhancement and training in assessments, recognizing the importance of ensuring accurate evaluations for 100% of our municipality;

AND WHEREAS the Government has announced a review of the property assessment and taxation system with a focus on fairness, equity, and economic competitiveness, and therefore further deferring new property assessment;

NOW THEREFORE BE IT RESOLVED THAT the Council of the Municipality of Callander hereby calls upon the Premier to promptly resume the assessment cycle to ensure the stability and predictability of property taxes while the Government conducts its review of the property assessment and taxation system, or respond with an alternative method for every municipality in Ontario to achieve fair taxation;

AND THAT all Municipalities in Ontario and their constituents are encouraged to apply pressure to the Premier, daily, weekly, and monthly, to resolve the situation before it causes undo stress to everyone in the Municipality;

AND THAT a copy of this resolution be forwarded to the Premier, the relevant provincial authorities, the Association of Municipality in Ontario, the Rural Ontario Municipalities Association, the Federation of Northern Ontario Municipalities, the Municipal Property Assessment Corporation, and all municipalities in Ontario for their consideration, to make proper changes as quickly and efficiently as possible.

Please be advised, at the Council Meeting held on November 12, 2024, the Township of North Dumfries Council adopted the following resolution:

“WHEREAS official statistics from the Government of Ontario confirm that rural roads are inherently more dangerous than other roads;

AND WHEREAS, despite only having 17% of the population, 55% of the road fatalities occur on rural roads;

AND WHEREAS, rural, northern, and remote municipalities are fiscally strained by maintaining extensive road networks on a smaller tax base;

AND WHEREAS, preventing crashes reduces the burden on Ontario’s already strained rural strained health care system;

AND WHEREAS, roadway collisions and associated lawsuits are significant factors in runaway municipal insurance premiums. Preventing crashes can have a significant impact in improving municipal risk profiles;

THEREFORE, BE IT RESOLVED THAT the Township of North Dumfries requests that the Government of Ontario take action to implement the rural road safety program that Good Roads has committed to lead. It will allow Ontario's rural municipalities to make the critical investments needed to reduce the high number of people being killed and seriously injured on Ontario’s rural roads; and

Re: The Future for Billy Bishop Airport Requires Urgent Action and a Modern Governing Agreement

Dear Minister Anand and Mayor Chow,

I am writing to you to express my support for the sustained operation and development of Billy Bishop Toronto City Airport. As the President of the Northwestern Ontario Municipal Association, I am extremely concerned to learn that the Tripartite Agreement that governs operations at the Airport expires in 2033 – less than 9 years from now.

Billy Bishop Airport provides a critical service and point of connection for the North. Many of my community members rely on Billy Bishop airport to visit family, connect through to other destinations for work, travel and tourism or to access critical medical services, the convenience and ease of Billy Bishop Airport cannot be matched. It has been reported widely that Northern Ontario communities have experience drastic reductions in air service coming out of the COVID pandemic. Reliable air connectivity available through Billy Bishop Airport is an important economic and social lifeline for my community.

We were pleased to see the Federal Government's investment in a US Customs and Border Patrol preclearance facility, which is expected to open in 2025. This is welcomed news for communities in Northwestern Ontario as it will enable more and better connections through Billy Bishop Airport and amplify the airport's already strong economic contribution. We viewed this investment in the airports long term future as recognition of the very important role the airport has come to play for the communities it connects including Northwestern Ontario – very much at odds with an agreement that expires in a matter of years.

To that end, we would implore you, as signatories to the Tripartite Agreement, to commence a process to modernize the Tripartite Agreement and secure the long-term future of Canada's 9th-busiest airport and 3rd-busiest in Ontario. My community members rely on this service, and we

want to see even more connections and expanded services to the North. As elected leaders, we have a responsibility to think past our own front doors, reflect the needs of all of our constituents and those beyond our communities who are impacted by our decisions. Certainty about the airport's long-term future should not be something we as leaders should need to think long about. **The time is now for the parties of the agreement to move forward with urgency to ensure this vital piece of transportation infrastructure and the important connections it facilitates are sustained.**

Sincerely,

Wendy Landry

Dear Prime Minister and Premier,

RE: TOWNSHIP OF KING RESOLUTION – REQUESTING THE REDISTRIBUTION OF PROVINCIAL LAND TRANSFER TAX AND GST TO MUNICIPALITIES FOR SUSTAINABLE INFRASTRUCTURE FUNDING

At its Council meeting of November 12, 2024, Council of the Township of King received and supported the following Resolution:

Whereas municipalities face growing infrastructure needs, including roads, bridges, public transit, water systems, and other critical services, which are essential to community well-being and economic development; and

Whereas the current sources of municipal revenue, including property taxes and user fees, are insufficient to meet these increasing demands for infrastructure investment; and

Whereas the Province of Ontario currently collects the Land Transfer Tax (LTT) on property transactions in municipalities across the province, generating significant revenue that is not directly shared with municipalities; and

Whereas the Federal Government collects the Goods and Services Tax (GST) on property transactions, a portion of which could be directed to municipalities to address local infrastructure needs; and

Whereas redistributing a portion of the Provincial Land Transfer Tax and GST to municipalities would provide a predictable and sustainable source of funding for local infrastructure projects without creating a new tax burden on residents or homebuyers; and

Whereas a redistribution of a portion of the existing Land Transfer Tax and GST would allow municipalities to better plan and invest in long-term infrastructure initiatives, supporting local economic growth and improving the quality of life for residents;

Now Therefore Be It Resolved That;

1. The Township of King Council formally requests the Provincial Government to consider redistributing a portion of the Land Transfer Tax collected on property transactions to municipalities; and

2. The Township of King Council calls on the Federal Government to allocate a percentage of the GST collected on property sales to municipalities; and
3. That this redistribution of the Land Transfer Tax and GST should be structured to provide predictable and sustainable funding to municipalities, allowing for better long-term planning and investment in infrastructure projects that benefit local communities, thus ensuring that local governments receive a fair share of the revenue to address critical infrastructure needs; and
4. That copies of this resolution be forwarded to Prime Minister Justin Trudeau, Premier Doug Ford, the Ontario Minister of Finance, the Minister of Municipal Affairs and Housing, local Members of Parliament (MPs) and Members of Provincial Parliament (MPPs); and
5. That copies of this resolution be forwarded to all 444 Municipalities in Ontario, the Federation of Canadian Municipalities (FCM), and the Association of Municipalities of Ontario (AMO) for their endorsement and advocacy.

Carried Unanimously.

Yours sincerely,

Denny Timm

CERTIFIED RESOLUTION

Date: **October 28, 2024**

Item(s) no.: 10 a

Subject: Motion to request the Redistribution of the Provincial Land Transfer Tax and GST to Municipalities for Sustainable Infrastructure Funding

Moved by: **Marc Lalonde**

Seconded by: **Lisa Deacon**

WHEREAS municipalities face growing infrastructure needs, including roads, bridges, public transit, water systems, and other critical services, which are essential to community well-being and economic development; and

WHEREAS the current sources of municipal revenue, including property taxes and user fees, are insufficient to meet these increasing demands for infrastructure investment; and

WHEREAS the Province of Ontario currently collects the Land Transfer Tax (LTT) on property transactions in municipalities across the province, generating significant revenue that is not directly shared with municipalities; and

WHEREAS the Federal Government collects the Goods and Services Tax (GST) on property transactions, a portion of which could be directed to municipalities to address local infrastructure needs; and

WHEREAS redistributing a portion of the Provincial Land Transfer Tax and GST to municipalities would provide a predictable and sustainable source of funding for local infrastructure projects without creating a new tax burden on residents or homebuyers; and

WHEREAS a redistribution of a portion of the existing Land Transfer Tax and GST would allow municipalities to better plan and invest in long-term infrastructure initiatives, supporting local economic growth and improving the quality of life for residents;

1. NOW THEREFORE BE IT HEREBY RESOLVED THAT the Corporation of the Township of Russell Council formally requests the Provincial Government to consider redistributing a portion of the Land Transfer Tax collected on property transactions to municipalities; and

2. BE IT FURTHER RESOLVED THAT the Corporation of the Township of Russell Council calls on the Federal Government to allocate a percentage of the GST collected on property sales to municipalities; and

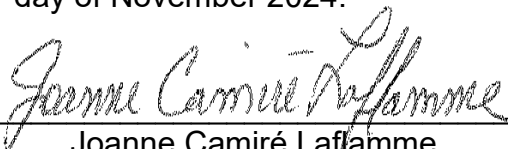

3. **BE IT FURTHER RESOLVED THAT** this redistribution of the Land Transfer Tax and GST should be structured to provide predictable and sustainable funding to municipalities, allowing for better long-term planning and investment in infrastructure projects that benefit local communities, thus ensuring that local governments receive a fair share of the revenue to address critical infrastructure needs; and

4. **BE IT FURTHER RESOLVED THAT** copies of this resolution be forwarded to Prime Minister Justin Trudeau, Premier Doug Ford, the Ontario Minister of Finance, the Minister of Municipal Affairs and Housing, local Members of Parliament (MPs) and Members of Provincial Parliament (MPPs); and

Dear Minister Jones,

At the Township of Terrace Bay Regular Council Meeting held on Monday September 16, 2024, the following resolution was put forth by Councillor Chris Dube and was passed.

Re: Ambulance Shortages and Healthcare System Issues

Resolution 266-2024

Moved by: Councillor Johnson

Seconded by: Councillor Dube

WHEREAS, the Council of the Corporation of the Township of Terrace Bay is gravely concerned about the ongoing shortages and staffing challenges facing Superior North EMS (SNEMS);

WHEREAS, the provincial funding for ambulance services, currently at 50%, along with the city's 50% contribution, has been falling short, leading to financial strain on municipalities and regional partners, including the City of Thunder Bay;

WHEREAS, the rolling shortages of paramedics and EMS personnel in the region present a significant risk to public safety and healthcare services in northern communities, which are disproportionately affected by the province-wide shortage of paramedics;

WHEREAS, recruitment and retention issues, including insufficient wages and benefits, lack of mental health supports, frequent exposure to traumatic experiences, and inadequate recovery time between work periods, are causing high turnover rates and burnout among EMS workers;

THEREFORE, BE IT RESOLVED THAT, the Honorable Sylvia Jones, Minister of Health, be requested to take immediate action to address the funding shortfalls and structural challenges in the delivery of EMS services in northern communities, including:

1. Increasing provincial funding to support EMS services and reduce the financial burden on municipalities;
2. Implementing incentives such as "learn and stay" grants to encourage paramedics to live and work in northern Ontario;
3. Enhancing support systems for EMS workers, including improved wages, benefits, and mental health resources.

P.O. Box 40, 1 Selkirk Avenue, Terrace Bay, ON, P0T 2W0

Phone: (807) 825-3315 Fax: (807) 825-9576

AND THAT, this resolution be forwarded to Minister Sylvia Jones, the Association of Municipalities of Ontario (AMO), and all Ontario municipalities.

Re: Opposing the Proposed Provincial Initiative that Seeks to Restrict or Limit the Autonomy of Municipalities in Implementing Road Safety Measures

Hamilton City Council, at its meeting held on Wednesday, November 13, 2024, passed the following resolution:

7.1 Opposing the Proposed Provincial Initiative that Seeks to Restrict or Limit the Autonomy of Municipalities in Implementing Road Safety Measures

(Kroetsch/Cassar)

WHEREAS, the safety of all road users, including cyclists, is a paramount concern and a fundamental responsibility of both provincial and municipal governments;

WHEREAS, crashes involving motor vehicles pose significant risks to cyclists, pedestrians, and other vulnerable road users, leading to serious injuries and fatalities;

WHEREAS, the implementation of safe road infrastructures, such as bike lanes, is a proven measure to enhance the safety and accessibility of roadways for cyclists, promoting healthier and sustainable transportation options;

WHEREAS, the Office of the Chief Coroner of Ontario ("OCC") conducted the Cycling Death review, which was the most comprehensive death review into the causes of cycling deaths in Ontario;

WHEREAS, the OCC made its primary recommendation to the province the adoption of "Complete Streets" which emphasize the need for comprehensive planning and design of roadway infrastructure to safely accommodate all users, including through the installation of more cycling networks including bike lanes;

WHEREAS, municipal governments have the local knowledge and contextual understanding necessary to effectively address specific community transportation needs, including the development and maintenance of safe cycling infrastructure within their cities;

WHEREAS, any provincial initiative that seeks to prevent or preclude municipalities from implementing necessary road safety measures, such as bike lanes, undermines local governance and the ability of municipalities to protect the well-being of their residents and ensure compliance with their obligations that roadways are reasonably safe for all users; and

WHEREAS, this resolution expresses the City of Hamilton's commitment to supporting municipal autonomy in enhancing road safety and emphasizes the importance of integrating protective measures for cyclists through locally tailored infrastructure solutions.

THEREFORE, BE IT RESOLVED:

- (a) That Hamilton City Council formally oppose any proposed provincial initiative that seeks to restrict or limit the autonomy of municipalities in implementing road safety measures, including the establishment and or removal of bike lanes or bike infrastructure;
- (b) That Hamilton City Council supports the empowerment of municipal road authorities to independently assess and recommend the best methods to ensure the safety of all road users within their jurisdictions and responsibilities; and
- (c) That a copy of this resolution be forwarded to the Honourable Doug Ford, Premier of Ontario; the Honourable Prabmeet Singh Sarkaria, the Minister of Transportation; the Honourable Paul Calandra, the Minister of Municipal Affairs and Housing; the area MPPs and MPs, the Association of Municipalities of Ontario and all Ontario Municipalities.

RE: Support Resolution – OPP Annual Billing Statement

Please be advised that at its meeting held on November 18, 2024, Council of the Township of Clearview passed the following resolution regarding the OPP Annual Billing Statement:

Moved by Councillor Broderick, Seconded by Deputy Mayor Van Staveren, Whereas current police services within the Township of Clearview are provided by the Ontario Provincial Police (OPP);

And Whereas the Township and the local OPP detachment have worked in a positive, collaborative and effective manner for decades; and

And Whereas historical increases in OPP Annual Billing Statements have trended around 2%;

And Whereas the OPP submitted their 2025 Annual Billing Statement to the Township on October 4, 2024, that identifies an approximate \$0.5 M (22.7%) increase from 2024 to 2025 that will translate to an approximate 2.57% tax rate increase, on top of what the Township was contemplating for the residents of Clearview Township;

And Whereas communication from the Township of Essa as well as other municipalities serviced by the OPP has been received by Clearview Township, seeking support;

Now Therefore Be It Resolved, that Council of the Township of Clearview, hereby requests that the 2025 OPP Annual Billing Statement be reduced to an approximate 2% increase that is more manageable for the Township and in line with historical trends;

The first part of the document discusses the importance of maintaining accurate records of all transactions. It emphasizes that every entry should be supported by a valid receipt or invoice. This ensures transparency and allows for easy verification of the data.

In the second section, the author details the various methods used to collect and analyze the data. This includes both manual and automated processes. The manual process involves reviewing each entry individually, while the automated process uses software to identify patterns and anomalies.

The third part of the document focuses on the results of the analysis. It shows that there are several areas where the data deviates from the expected values. These deviations are likely due to human error or system malfunctions. The author provides a detailed breakdown of these errors and suggests ways to prevent them in the future.

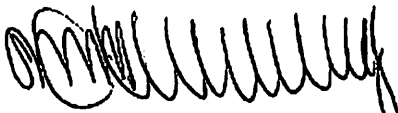

Finally, the document concludes with a summary of the findings and a list of recommendations. The author suggests that the company should invest in better data management software and provide more training for the staff. This will help to reduce the number of errors and improve the overall accuracy of the records.

And Further That any increase above 2% be absorbed by the province as the additional costs are directly the result of collective bargaining that was within the control of the OPP and should have been known to be financially unsustainable for the municipalities that now need to pay the bill;

And Further That a copy of this Resolution be sent to the Honourable Doug Ford, Premier of Ontario, the Honourable Michael Kerzner, Solicitor General, MPP Brian Saunderson, Simcoe-Grey and all 329 municipalities serviced by OPP. Motion Carried.

If you have any questions regarding the above, please do not hesitate to contact the undersigned.

Dear Ms. Huskinson:

Re: Resolution – Recommendations for Updates to the Municipal Elections Act

The Council of the Town of Tecumseh, at its regular meeting held November 12, 2024, gave consideration to correspondence from the Township of North Glengarry dated October 28, 2024. The Township of North Glengarry was requesting support of the Town of Tecumseh regarding their resolution on Recommendations for Updates to the Municipal Elections Act, a copy of which is enclosed.

At their meeting, Tecumseh Council passed the following resolution:

“Motion: RCM – 262/24

Moved by: Deputy Mayor Joe Bachetti
Seconded by: Councillor Rick Tonial

That the Town of Tecumseh support the resolution from North Glengarry dated October 28, 2024 with the following:

Whereas election rules need to be clear, supporting candidates and voters in their electoral participation and election in running elections;

And Whereas the legislation must also reduce administrative and operational burden for municipal staff ensuring that local election administrators can run elections in a way that responds to the unique circumstances of their local communities;

And Whereas the Municipal Elections Act, 1996 (MEA) will be 30 years old by the next municipal and school board elections in 2026;

And Whereas the MEA sets out the rules for local elections, the Assessment Act, 1990 and the Education Act, 1990 also contain provisions impacting local elections adding more places for voters, candidates, and administrators to look for the rules that bind the local democratic process in Ontario;

And Whereas with rules across three pieces of legislation, and the MEA containing a patchwork of clauses, there are interpretation challenges, inconsistencies, and gaps to fill;

And Whereas the Act can pose difficulties for voters, candidates, contributors and third-party advertisers to read, to interpret, to comply with and for election administrators to enforce;

And Whereas while local elections are run as efficiently and effectively as can be within the current legislative framework, modernization and continuous improvement is needed to ensure the Act is responsive to today's needs and tomorrow's challenges;

And Whereas to keep public trust and improve safeguards the Act should be reviewed considering the ever-changing landscape which impacts elections administration including privacy, the threats of foreign interference, increased spread of mis/disinformation and the increased use of technologies like artificial intelligence and use of digital identities;

And Whereas the Association of Municipal Managers, Clerks, and Treasurers of Ontario (AMCTO) reviewed the Act and has provided several recommendations including modernizing the legislation, harmonizing rules, and streamlining and simplifying administration;

And Whereas AMCTO put forward recommendations for amendments ahead of the 2026 elections and longer-term recommendations for amendments ahead of the 2030 elections;

Now therefore be it resolved that the Council of the Town of Tecumseh calls for the Province to update the MEA with priority amendments as outlined by AMCTO before Summer 2025 and commence work to review and re-write the MEA with longer-term recommendations ahead of the 2030 elections.

And further that that this resolution will be forwarded to all municipalities in Ontario for support and that each endorsement be then forwarded to the Minister of Municipal Affairs and Housing; the Minister of Education; the Minister of Public and Business Service Delivery; Minister of Finance; the Premier of Ontario; MPP - Windsor-Tecumseh, Andrew Dowie; AMCTO; the Association of Municipalities of Ontario (AMO); and all Ontario Municipalities, to keep public trust and improve safeguards the Act should be reviewed considering the ever-changing landscape which impacts elections administration including privacy, the threats of foreign"

Please consider this letter as confirmation of the Town of Tecumseh's action on the above matter.

RE: 10.1 ERO Posting 019-9196 Enabling greater beneficial reuse excess soil

Please be advised that Township of Puslinch Council, at its meeting held on November 20th, 2024 considered the aforementioned topic and subsequent to discussion, the following was resolved:

**Resolution No. 2024-415: Moved by Councillor Hurst and
Seconded by Councillor Sepulis**

**That Council receive the Mayors and Council member updates for information.
Whereas the Ministry of the Environment, Conservation and Parks is currently
consulting on proposed amendments to the Excess Soil Regulation, with potentially
significant implications for local municipalities; and**

**Whereas these proposed changes, including landfilling restrictions and exemptions for
waste environmental compliance approvals, pose substantial risks to environmental**

integrity, groundwater protection, local enforcement efforts, and land use planning; and

Whereas the proposed amendments may undermine local municipalities' ability to effectively manage excess soil, potentially leading to adverse environmental impacts, such as soil and/or groundwater contamination and disruption of local ecosystems; and

Whereas the relaxation of regulatory requirements for soil management could further hinder the enforcement capabilities of municipal authorities, making it more challenging to monitor and address compliance issues, thus jeopardizing public health and safety; and

Whereas the proposed regulations do not provide sufficient clarity regarding whether the intent of the proposed regulations are to permit ARA licensed sites to be used as reuse sites for excess soil; and

Whereas the proposed flexibility in soil reuse standards could conflict with established land use planning frameworks, potentially resulting in incompatible land uses and further strain on local infrastructure; and

Whereas the introduction of regional mapping for areas with naturally occurring exceedances presents significant financial challenges for municipalities, as the costs associated with implementing such mapping projects may not be feasible given limited budgets and resources; and

Whereas relaxing excess soil regulations and implementing regional mapping could negatively impact agricultural lands by allowing excess soil to be disposed of in ways that diminish the quality and usability of these valuable lands for future agricultural purposes, highlighting the need to prioritize the protection of agricultural lands equally with infrastructure projects and housing developments;

Therefore, be it resolved that the Council of Township of Puslinch formally objects to the proposed amendments to the Excess Soil Regulation, citing concerns regarding the detrimental effects on local municipalities, the environment, soil and groundwater quality protection, and effective land use planning; and

That the Council of Township of Puslinch directs staff to forward this resolution to the Ministry of the Environment, Conservation and Parks, outlining these concerns and advocating for a more balanced approach that prioritizes environmental protection, local governance, and the protection of resident's health and safety; and further,

That this resolution be shared with all Ontario Municipalities, the Premier of Ontario; County Planning staff, MPP Arnott; MPP Rae; the Wellington Federation of Agriculture; and OMAFRA requesting support for the protection of agricultural lands and sustainable excess soil management practices in Ontario.

As per the above resolution, please accept a copy of this correspondence for your information and consideration.

Sincerely,

Justine Brotherston
Municipal Clerk

Notes: Population figures include an adjustment for the Census undercount.

The population estimates are calculated by the following method:

- a) CMHC housing completion data is added to the 2021 occupied households, and minor adjustments are made to the total occupied households for demolitions and vacancies.
- b) A declining person per unit factor by household type is applied to the occupied household estimates to derive a population estim:
- c) An estimate of the population in institutions is then added to the preliminary population estimate.
- d) An undercount adjustment is then applied to generate a final population estimate.
- e) The population estimates do not include an analysis of migration and natural increase data.
