### TIPS TO LEARN TO CO-EXIST WITH COYOTES

- Do not approach, touch, turn your back or run from coyotes.
- If approached by a coyote, pick up small children or pets. Back away while remaining calm, stand tall, wave your hands and make lots of noise.
- Do not feed coyotes or leave any type of food outdoors for any animal, even your pets (i.e. dog/cat food)
- Educate your children to not approach or harass any wild animals.
- Always keep pets on a short leash (6ft. or less).
- Don't leave small pets unattended near forested areas, including your backyard.

If the coyote poses an immediate and serious threat, call 9-1-1. Report coyote interactions to Animal Services at 905-895-5193 and press 3 if calling after-hours.

## ANNUAL WATERMAIN CLEANING NEWMARKET

The Town's Annual Watermain Cleaning program is underway so we can continue to provide safe, high-quality water to residents. Unidirectional flushing (UDF) will be used to clean the watermains by flushing sequences of water from one hydrant to another. In most cases, you will not notice any change in service. However you may notice discolouration in the water and/or low water pressure. Discoloured water does not pose a health hazard. If this occurs, residents can run their faucets for a short time until the water is clear.

## CYCLING SAFETY REMINDER

Cyclists, remember to ride on the right, obey all traffic signals at all intersections and cycle on bike lanes where possible. No matter what your age, helmets save lives. By law, in Ontario, anyone under the age of 18 is required to wear a helmet when riding your bicycle. Let's all be safety driven in Newmarket.
