

Corporation of the Town of Newmarket

By-law 2024-61

A By-law to establish a tariff of fees for the processing of applications made in respect of planning matters (Planning Act Processing Fees) and to repeal By-law 2024-18.

WHEREAS subsection 69(1) of the *Planning Act*, R.S.O. 1990, c. P.13 provides that a council of a municipality may pass by-laws establishing a tariff of fees for the processing of applications made in respect of planning matters;

AND WHEREAS the Corporation of the Town of Newmarket deems it necessary and expedient to pass this by-law;

THEREFORE be it enacted by the Council of the Corporation of the Town of Newmarket as follows:

1. The tariff of fees identified in Schedule A attached to and forming part of this By-law shall be imposed by the Town for the processing of applications made in respect of planning matters.
2. On an annual basis, the Treasurer has the delegated authority to approve the adjustment of fees and charges up to the rate of inflation.

For the purposes of such, the prescribed rate of inflation is defined to be the lesser of 2.5% and the target rate established by Council as part of their budget direction. The target rate will be the annual increase in the Consumer Price Index (CPI) for Toronto at the beginning of the budget process but will be subject to Council review and approval. There is one exception to this restriction; for low dollar fees that for practical reasons are best subject to increases every few years and not annually. For such items, the increase would be limited not by the prescribed rate of inflation, but by the accumulated inflation since the last rate adjustment.

3. This By-law shall come into full force and effect on January 1, 2025.
4. By-law 2024-18 shall be repealed as of January 1, 2025.

ENACTED this 18th day of November, 2024.

John Taylor, Mayor

Kiran Saini, Deputy Town Clerk
